### Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of supply for older products or design variants.

On December 15<sup>th</sup>, 2020, GE Grid Solutions announced the discontinuation of the sale of **MMLZ20 & MMLZ30**.

On January 12<sup>th</sup>, 2022, the last order date for MMLZ20 was extended to 18<sup>th</sup> November 2022, subject to availability.

This notice does not apply to any other model not explicitly listed.

### Last-Time Buy Window

Please plan the purchase of any additional or spare devices that you feel you may need. Orders should be routed to GE prior to the last order date shown. **Orders will be fulfilled based upon availability** and products typically ship within three months of the last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.
