

NGV21-23, NGV25-28 & NGV99 End-of-Manufacturing Notice

Excerpt from GE Publication Number: GER-4938

Issued: 12th December 2022

Copyright © 2022 General Electric

Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

GE Grid Solutions has discontinued the manufacture and sale of **NGV21-23, NGV25-28 & NGV99**.

PRODUCT	LAST ORDER DATE	ALTERNATIVE
NGV Options 21-23, 25-28 & 99 Order codes: NGV21 NGV22 NGV23 NGV25 NGV26 NGV27 NGV28 NGV99	Order book closed	PRiMA or NGV Options 11-13, 15 & 17-19 Order codes: NGV11 NGV12 NGV13 NGV15 NGV17 NGV18 NGV19

Support

GE's warranty provision is unaffected by this End-of-Manufacturing Notification. After the published last order date elapses, a repair service follows for products no longer under warranty subject to material availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact GE if they need further information concerning the level of service that is provided on a per product basis.

For Additional Information

If we can provide assistance with migration to new products, please contact us for help. Advice and assistance are also available via: <http://www.gegridsolutions.com/contact.htm?loc=3> or <http://www.gegridsolutions.com/multilin>
