## Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of manufacturing for older offerings or design variants.

On 20<sup>th</sup> June 2024, the **discontinuation** of the manufacture and sale of the **MVAJ13 Single Element Tripping Relay with hand reset contacts** was **announced**. The **descriptions and alternatives** shown in the consolidated notice were **revised** as shown below.

On 12<sup>th</sup> December 2024, the **description** was **revised** as shown below. This notice was revised in accordance with GE Vernova rebranding guidelines.

## Last-Time Buy Window

Please plan the purchase of any additional quantities or spares that you need. Orders should be placed prior to the last order date shown. **Orders will be fulfilled based upon availability** and shipments typically occur within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

OFFERING	LAST ORDER DATE	ALTERNATIVE
<b>MVAJ13 Single Element Tripping Relay</b> (Hand reset contacts) <b>Low Burden</b>	<b>15<sup>th</sup> August 2025</b>	<b>MVAJ053 Tripping Relay</b> (5 Hand reset contacts) or <b>MVAJ103 Tripping Relay</b> (10 Hand reset contacts)

## Support

GE Vernova's warranty provision is unaffected by this End-of-Manufacturing/Supply Notification. After the published last order date elapses, a repair service follows for items no longer under warranty subject to availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact us if they need further information concerning the level of service that is provided on a per offering basis.

## For Additional Information

If we can provide assistance with migration to new offerings, please contact us for help. Advice and assistance are also available via:
