

H500 End-of-Manufacturing/Supply Notice

Excerpt from Publication Number: GER-4978

Issued: 12th December 2024

Revision Dates:

- 10th June 2025 (Excerpt from End-of-Manufacturing Notice GER-5001)

Copyright © 2025 GE Vernova

Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of manufacturing for older offerings or design variants.

On 12th December 2024, the **discontinuation** of the manufacture and sale of **CPU Option B for H500** was announced. A **typo** in the offering order code was **corrected** from G500HB to G500BH.

On 10th June 2025, the **scope** of the obsolescence was **revised** to include all variants of the H500 offering and this notice was revised in accordance with GE Vernova rebranding guidelines.

OFFERING	LAST ORDER DATE	ALTERNATIVE
H500 All variants	Order book closed	Contact GE Vernova

Support

GE Vernova's warranty provision is unaffected by this End-of-Manufacturing/Supply Notification. After order book closed, a repair service follows for items no longer under warranty subject to availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact us if they need further information concerning the level of service that is provided on a per offering basis

For Additional Information

If we can provide assistance with migration to new offerings, please contact us for help. Advice and assistance are also available via:
