Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of manufacturing for older offerings or design variants.

On 15th May 2019, the discontinuation of the manufacturing and supply of Software 36 & 70 for P442 was announced.

On 31st October 2019, the alternatives for Software 70 were revised to include P442 Software 86.

On 9th December 2019, the last order date for P442 Software 36 was extended to 31st March 2023, subject to availability.

On 30th June 2020, the alternatives were revised to P442 Software 91.

On 10th May 2021, the alternatives for Software 36 were revised to include Software 72 (DNP3oE).

On 12th December 2022, the alternatives were expanded to include P44 Software AA.

On 4th December 2025, this notice was revised in accordance with GE Vernova rebranding guidelines.

Last-Time Buy Window

Please plan the purchase of any additional quantities or spares that you need. Orders should be placed prior to the last order date shown. Orders will be fulfilled based upon availability and shipments typically occur within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

OFFERING	LAST ORDER DATE	ALTERNATIVE

Software 70 For P442 Hardware M	3 rd June 2020	P44 Software AA or P442 Software 91 (IEC 61850 Ed. 1 Or 2) Hardware M

Support

GE Vernova's warranty provision is unaffected by this End-of-Manufacturing/Supply Notification. After the published last order date elapses, a repair service follows for items no longer under warranty subject to availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact us if they need further information concerning the level of service that is provided on a per offering basis.

For Additional Information

If we can provide assistance with migration to new offerings, please contact us for help. Advice and assistance are also available via: <https://www.gevernova.com/grid-solutions/contact.htm?loc=3> or <https://www.gevernova.com/grid-solutions/automation/protection-control-metering>.
