## Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of manufacturing for older offerings or design variants.

On 30<sup>th</sup> June 2020, the discontinuation of the manufacturing and supply of User Interface Options A & B – Basic Front Panels for Chinese Language on UR Portfolio was announced.

On 23<sup>rd</sup> November 2025, this notice was revised in accordance with GE Vernova rebranding guidelines.

## Support

GE Vernova’s warranty provision is unaffected by this End-of-Manufacturing/Supply Notification. After order book closed, a repair service follows for items no longer under warranty subject to availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact us if they need further information concerning the level of service that is provided on a per offering basis.
