Software 71 & 75 for P443 & P446 End-of-Manufacturing/Supply Notice

Excerpt from Publication Number: GER-4912

Issued: 10th May 2021

Revision Dates:

- 12th December 2022 (Excerpt from End-of-Manufacturing Notice GER-4938)
- 18th December 2023 (Excerpt from End-of-Manufacturing Notice GER-4956)
- 12th December 2024 (Excerpt from End-of-Manufacturing Notice GER-4978)
- 1st December 2025 (Rebranding Revisions)

Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of manufacturing for older offerings or design variants.

On 10th May 2021, the discontinuation of the manufacturing and supply of Software 71 & 75 for P443 & P446 was announced.

On 12th December 2022, the last order date for P443 Software 71 ONLY was extended to 31st December 2023, subject to availability. In addition, the alternatives were revised to include P44 Software AA.

On 18th December 2023, the last order date for P443 Software 71 ONLY was extended to 10st December 2024, subject to availability. * Please note that white livery is only available until 31st December 2023.

On 12th December 2024, the alternatives were revised from P44 Software AA to P44 Software AB. This notice was revised in accordance with GE Vernova rebranding guidelines.

On 1st December 2025, a typo in the 12th December 2024 revision statement was correctly to reflect that the alternatives include P44 Software AB and not P84 Software AB. This notice was revised in accordance with GE Vernova rebranding guidelines.

Last-Time Buy Window

Please plan the purchase of any additional quantities or spares that you need. Orders should be placed prior to the last order date shown. Orders will be fulfilled based upon availability and shipments typically occur within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

Support

GE Vernova's warranty provision is unaffected by this End-of-Manufacturing/Supply Notification. After the published last order date elapses, a repair service follows for items no longer under warranty subject to availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact us if they need further information concerning the level of service that is provided on a per offering basis.

For Additional Information

If we can provide assistance with migration to new offerings, please contact us for help. Advice and assistance are also available via: https://www.gevernova.com/grid-solutions/contact.htm?loc=3 or https://www.gevernova.com/grid-solutions/automation/protection-control-metering.
