DS Agile v6.x Running Windows 10 End-of-Manufacturing/Supply Notice

Excerpt from Publication Number: GER-4938

Issued: 12th December 2022

Revision Dates:

- 28th June 2023 (Excerpt from End-of-Manufacturing Notice GER-4947)
- 20th June 2024 (Excerpt from End-of-Manufacturing Notice GER-4964)
- 2nd December 2025 (Rebranding Revisions)

Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of manufacturing for older offerings or design variants.

On 12th December 2022, the discontinuation of the manufacturing and supply of DS Agile v6.x Running Windows 10 was announced.

On 28th June 2023, the notice clarified that the last order date for new greenfield substations or projects was 31st May 2024.

On 20th June 2024, the last-time buy status was confirmed as Order Book Closed for new greenfield substations or projects as of 31st May 2024. The last-time buy status for brownfield applications was also revised to Contact GE Vernova For Availability. Please contact us regarding availability for brownfield applications.

On 2nd December 2025, this notice was revised in accordance with GE Vernova rebranding guidelines.

Last-Time Buy Window

Please plan the purchase of any additional quantities or spares that you need. Orders should be placed prior to the last order date shown. Orders will be fulfilled based upon availability and shipments typically occur within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

Support

GE Vernova's warranty provision is unaffected by this End-of-Manufacturing/Supply Notification. After the published last order date elapses, a repair service follows for items no longer under warranty subject to availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact us if they need further information concerning the level of service that is provided on a per offering basis.

For Additional Information

If we can provide assistance with migration to new offerings, please contact us for help. Advice and assistance are also available via: https://www.gevernova.com/grid-solutions/contact.htm?loc=3 or https://www.gevernova.com/grid-solutions/automation/protection-control-metering.
