Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of supply for older offerings or design variants.

On 28th June 2023, the discontinuation of the supply of Selected Accessories for EPM 7000 Series was announced. Note: at the time of the consolidated notice publication, the order codes listed for EPM75xx and EPM77xx contained typos – these order codes were corrected as shown below.

On 19th November 2025, this notice was revised in accordance with GE Vernova rebranding guidelines.

Support

GE Vernova’s warranty provision is unaffected by this End-of-Supply Notification. After order book closed, a repair service follows for items no longer under warranty subject to availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact us if they need further information concerning the level of service that is provided on a per offering basis.
