## Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of supply for older offerings or design variants.

On 20<sup>th</sup> June 2024, GE Vernova Grid Solutions announced the discontinuation of the supply of D20KI-OPC. The offering order codes were revised from 517-0214 as shown in the consolidated notice to include 517-0215 as well as the associated D20KI order code variants to clarify the scope.

On 31<sup>st</sup> October 2025, this notice was revised in accordance with GE Vernova rebranding guidelines.

OFFERING	STATUS	ALTERNATIVE
<b>Western D20KI-OPC</b> Order codes: D20KI-8-xxx (517-0214) D20KI-9-xxx (517-0215)	<b>Order Book Closed</b>	<b>Contact GE Vernova</b>

## Support

GE Vernova’s warranty provision is unaffected by this End-of-Supply Notification. After order book closed, a repair service follows for items no longer under warranty subject to availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact us if they need further information concerning the level of service that is provided on a per offering basis.

## For Additional Information

If we can provide assistance with migration to new offerings, please contact us for help. Advice and assistance are also available via: <https://www.gevernova.com/grid-solutions/contact.htm?loc=3> or <https://www.gevernova.com/grid-solutions/automation/protection-control-metering>.
