Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

In February 2018, GE Grid Solutions announced the discontinuation of the manufacture and sale of **P442 and P444 Software versions 38** and offered a Last-Time Buy opportunity.

On October 22nd, 2018, the discontinuation was expanded to include P441 and Software 31, with the alternatives were updated.

This notice does not apply to any other model not explicitly listed.

Last-Time Buy Window

This document outlines the strategy for affected products - within your organization please plan the purchase of any additional or spare devices that you feel you may need. Orders should be routed to us prior to the last order date shown. Orders will be fulfilled based upon availability and products typically ship within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

PRODUCT	LAST ORDER DATE	ALTERNATIVE
P441, P442 and P444 Software 31 and 38	28 th December 2018	P441, P442, P444 with Software 60 or 80 and Hardware J and P, or P441, P442, P444 with Software 72 or 83 and Hardware M
