Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

On February 28th, 2018, GE Grid Solutions announced the discontinuation of manufacture and sale of P443 and P445 Software version 33. This notice does not apply to any other model not explicitly listed.

On October 22nd, 2018, the last order date for P443 and P445 Software version 33 was extended to July 9th, 2019.

On December 19th, 2018, the last order date shown in the line above was corrected to match the last order date shown in the table below.

On May 15th, 2019, the last order date for P443 ONLY was extended to July 15th, 2020.

On June 30th, 2020, the last order date for P443 ONLY was extended to October 30th, 2020 and the alternative was revised.

Last-Time Buy Window

The table which follows outlines the strategy for the affected product(s) - within your organization please plan now the purchase of any additional or spare devices that you feel you may need. Orders should be routed to us prior to the last order date shown. **Orders will be fulfilled based upon availability** and products will be typically ship within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

PRODUCT	LAST ORDER DATE	ALTERNATIVE
P443 Software 33	30 th October 2020	P443 with Software 91 (IEC 61850 Ed 1 or 2) and Hardware M
P445 Software 33	9 th July 2019	P445 Software 46 with Hardware P
