Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

On February 28th, 2018, GE Grid Solutions announced the discontinuation of manufacture and sale of P642, P643 and P645 Software 02.

On October 22nd, 2018, the last order date for P642, P643, and P645 Software 02 was extended to July 9th, 2019.

On May 15th, 2019, the last order date for P643 Software 02 was extended to July 15th, 2020.

On December 15th, 2020 the alternatives for P642 Software 02 were revised as shown below.

This notice does not apply to any other model not explicitly listed.
