

Software 30/42/46/50/51 for P144 End-of-Manufacturing Notice

Excerpt from GE Publication Number: GER-4844

Issue Date: 22nd October 2018

Copyright © 2018 GE Multilin Inc.

Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

GE Grid Solutions is discontinuing the manufacture and sale of **Software 30/42/46/50/51 for P144**. This notice does not apply to any other version not explicitly listed.

Last-Time Buy Window

This document outlines the strategy for affected products - within your organization please plan the purchase of any additional or spare devices that you feel you may need. Orders should be routed to us prior to the last order date shown. Orders will be fulfilled based upon availability and products typically ship within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

PRODUCT	LAST ORDER DATE	ALTERNATIVE
P144 Software 30/32/46/50/51	15th July 2019	P144 with Software 61 and Hardware P (IEC 61850 Ed. 2) or P144 with Software 52 and Hardware J (IEC 61850 Ed. 1)

Visit our website at <http://www.gegridsolutions.com/multilin/selector/> for more information about alternative products.

For Additional Information
