## Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

On May 15<sup>th</sup>, 2019, GE Grid Solutions announced the discontinuation of the manufacture and sale of Software 36 for P441 and P444.

On October 31<sup>st</sup>, 2019, the list of alternatives was updated.

On June 30<sup>th</sup>, 2020, the alternative for P444 Software 36 was updated as shown below.

This notice does not apply to any other model not explicitly listed.

## Last-Time Buy Window

This document outlines the strategy for affected products - within your organization please plan the purchase of any additional or spare devices that you feel you may need. Orders should be routed to us prior to the last order date shown.

**Orders will be fulfilled based upon availability** and products typically ship within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

PRODUCT	LAST ORDER DATE	ALTERNATIVE
P441 and P444 Software 36	23 <sup>rd</sup> January 2020	P441 with Software 60 (IEC 61850 Ed. 1) and Hardware J P444 with Software 91 (IEC 61850 Ed. 1 or 2) and Hardware M
