Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

On 30th June 2020, GE Grid Solutions announced that the manufacture and sale of **Software 03 for P746** would be discontinued. This notice does not apply to any other model not explicitly listed.

On 15th December 2020, the alternatives for **Software 03 for P746** were revised as shown in the table below.

Last-Time Buy Window

Please plan the purchase of any additional or spare devices that you feel you may need. Orders should be routed to GE prior to the last order date shown. **Orders will be fulfilled based upon availability** and products typically ship within three months of the last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

PRODUCT	LAST ORDER DATE	ALTERNATIVE
Software 03 for P746	6 th January 2021	P746 Software 91 (IEC61850 Ed 2) or Software 12
