

Certificate of Approval

This is to certify that the Management System of:

GE GRID SOLUTIONS

Tour Gallilée - 51 Esplanade du Général de Gaulle, 92800 PUTEAUX, France

has been approved by LRQA to the following standards:

ISO 9001:2015

Gilles Bessiere

Issued by: LRQA France SAS

for and on behalf of: Lloyd's Register Quality Assurance Limited

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

Current issue date: 23 April 2019

Original approval(s):

Expiry date: 22 April 2022

ISO 9001 – 23 April 2019

Certificate identity number: 10196943

Approval number(s): ISO 9001 – 0079497

The scope of this approval is applicable to:

Design, Engineering, Software & automation development, Project Management (including Turnkey projects), Manufacturing, Testing, Construction, Erection, Commissioning, Technical Training and Service related activities for systems and equipment in the field of electrical grids and communications.
