Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

GE Grid Solutions is discontinuing the manufacture and sale of **F650 display options with RS232 (order codes F650***F*G****)**. This notice does not apply to any other model not explicitly listed.

Last-Time Buy Window

The table which follows outlines the strategy for all affected products - within your organization please plan now the purchase of any additional or spare devices that you feel you may need. Such orders should be routed to us prior to the date shown, with the last dispatch date expected no later than quoted in the table.

PRODUCT	LAST ORDER DATE	LAST DELIVERY DATE	ALTERNATIVE
F650 display options with RS232 (order codes F650***F*G****)	30 th June 2017	30 th September 2017	F650 display options with USB (order codes F650***F*G****E)
