Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge support teams, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

On April 5th, 2017 GE Grid Solutions announced the discontinuation of the manufacture and sale of **FM2** due to a newer product replacement being available in the **Multilin 350** relay.

On February 28th, 2018, the discontinuation and list of alternative products was updated as shown below.

This notice does not apply to any other model not explicitly listed.

PRODUCT	LAST ORDER DATE	ALTERNATIVE
FM2	Order Book Closed.	350 or P14N feeder relays
