

Multilin FAC

End-of-Life Notice

GE Publication Number: GER-4747

Issue Date: 12th April 2016

Revision Number: 0

Copyright © 2016 GE Multilin Inc.

Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge support teams, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing of products or modules.

GE Grid Solutions is discontinuing the manufacturing and sale of the FAC (Fiber Optic Multiplexer). This product is being discontinued due to the end-of-life of components used within the product.

In accordance with our obsolescence policy, GE usually offers a last buy opportunity as well as ongoing support. Unfortunately in this case, GE cannot offer a last time buy nor any ongoing support for the FAC.

This notice applies to the following products: FAC1000 and FAC2000 (Fiber Optic Multiplexers)

Last-Time Buy Window

As of 12th April 2016, the above mentioned *product(s)* will no longer be manufactured and will not be available for sale.

Support Timeframe

GE is committed to supporting their customer's protection and control needs. GE's warranty provision is unaffected by this End of Life Notification.
