Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

On February 28th, 2018, GE Grid Solutions announced the discontinuation of the manufacture and sale of **C90^{Plus} Bay Control Unit (Order codes C90P***S/E/L)** and offered a last time buy opportunity.

On October 22nd, 2018, GE Grid Solutions updated this discontinuation to close the previously announced last time buy period and update the alternative products as shown below.

This notice does not apply to any other model not explicitly listed.
