Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

In February 2018, GE Grid Solutions announced the discontinuation of the manufacture and sale of **MVAA 12, MVAA 15, and MVAA 22** relays and offered a Last-Time Buy opportunity.

On October 22nd, 2018, the list of alternative products for the MVAA22 model was updated.

On November 20th, 2018, the list of alternative products for the MVAA22 model was corrected.

This notice does not apply to any other model not explicitly listed.

Last-Time Buy Window

The table which follows outlines the strategy for the affected product(s) - within your organization please plan now the purchase of any additional or spare devices that you feel you may need. Orders should be routed to us prior to the last order date shown. Orders will be fulfilled based upon availability and products will be typically ship within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

PRODUCT	LAST ORDER DATE	ALTERNATIVE
MVAA12 and MVAA15 models	1 st October 2018	PRiMA relays
MVAA22 model	1 st October 2018	PRiMA relays
