Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

On October 22nd, 2018 GE Grid Solutions announced the discontinuation of the manufacture and sale of **MMLZ 23 Channel Test Switch** including all models, configurations, mods and accessories, but not retrofit kits.

On May 15th, 2019, the order book closed for MMLZ 23 Channel Test Switches.

This notice does not apply to any other model not explicitly listed.
