#### Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

GE Grid Solutions is discontinuing the manufacture and sale of **Analog Inputs Option T for Reason RA331, RA332, and RA333**. This notice does not apply to any other model or option not explicitly listed.

PRODUCT	LAST ORDER DATE	ALTERNATIVE
