

IJD End-of-Manufacturing Notice

Excerpt from GE Publication Number: GER-4927

Issued: 27th May 2022

Revision Date:

- 18th December 2023 (Excerpt from End-of-Manufacturing Notice GER-4956)

Copyright © 2023 General Electric

Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

On 27th May 2022, GE Grid Solutions announced the discontinuation of the manufacture and sale of the **IJD** relay. In GER-4956, GE confirmed order book closed as of the 25th September 2023 for the remaining variants previously announced for last-time buy. At time of publication of GER-4956 all variants were confirmed to be order book closed.

Last-Time Buy Window

Please plan the purchase of any additional or spare devices that you feel you may need. Orders should be placed prior to the last order date shown. **Orders will be fulfilled based upon availability** and products typically ship within three months of the last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

PRODUCT	LAST ORDER DATE	ALTERNATIVE
IJD Order codes: IJD52/53 All others	Order book closed	P346/889 or P642/T35

Support

GE's warranty provision is unaffected by this End-of-Manufacturing Notification. After the published last order date elapses, a repair service follows for products no longer under warranty subject to material availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact GE if they need further information concerning the level of service that is provided on a per product basis.

For Additional Information

If we can provide assistance with migration to new products, please contact us for help. Advice and assistance are also available via: <http://www.gegridsolutions.com/contact.htm?loc=3> or <http://www.gegridsolutions.com/multilin>
