## Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

On December 12<sup>th</sup>, 2022, GE Grid Solutions announced the discontinuation of the manufacture and sale of **Communication Option 4E for 350**.

On 18<sup>th</sup> December 2023, the alternative was revised as shown below.

## Last-Time Buy Window

Please plan the purchase of any additional or spare devices that you feel you may need. Orders should be placed prior to the last order date shown. **Orders will be fulfilled based upon availability** and products typically ship within three months of the last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

OFFERING	LAST ORDER DATE	ALTERNATIVE
<b>Communication Option 4E for 350</b> Option code: <b>4E</b> - Standard + Ethernet (Copper & Fiber - MTRJ), Modbus TCP/IP, DNP3.0, IEC60870-5-104, IEC 61850, OPC-UA	<b>15<sup>th</sup> February 2024</b>	<b>Multilin Agile P14DB or 350</b> with Communication Option <b>5E</b> - Standard + Ethernet - PRP/HSR/1588 (2 x Fiber - MTRJ), Modbus TCP/IP, DNP3.0, IEC60870-5-104, IEC 61850, OPC-UA

## Support

GE's warranty provision is unaffected by this End-of-Manufacturing Notification. After the published last order date elapses, a repair service follows for products no longer under warranty subject to material availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact GE if they need further information concerning the level of service that is provided on a per product basis.

### **For Additional Information**
