### Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

GE Grid Solutions is discontinuing the manufacture and sale of **SAM** relays due to newer product alternatives being available in the **MVTT and PRiMA relay ranges**. This notice does not apply to any other model not explicitly listed.

### Last-Time Buy Window

**The table which follows outlines the strategy for the affected product(s) - within your organization please plan now the purchase of any additional or spare devices that you feel you may need.** Such orders should be routed to us prior to the date shown, with the last delivery date expected no later than that shown in the table.

PRODUCT	LAST ORDER DATE	LAST DELIVERY DATE	ALTERNATIVE
SAM relays	1 October 2018	31 <sup>st</sup> December 2018	MVTT14, MVTT15, and PRiMA relays
